200

AMERICA'S 1ST PUBLIC HIGH SCHOOL

ENGLISH HIGH SCHOOL'S 200th GRATITUDE PLATITUDES

When one thinks of a Virtual event online or wherever streamed/viewed we think it's a simple thing to organize and videotape and show. Not so. The Alumni Association has been planning English High School's 200th Anniversary Event for almost three years.

It's with a highly coordinated effort of many who have worked long hours to pull together so many elements of a 200-year history of the *first and oldest public high school in America!*

A rich history, I contend, deserves much more time than we've allotted to tell all the varied alumni and student success stories. Out of our 17,000 alumni, many have accomplished pinnacles in life.

At the top of my list of helpers is our Alumni Board of Directors and our 200th Anniversary Committee. Some of these individuals have worked on both committees to help. I want to give a shout out to our English High School leadership, Caitlin Murphy, and her staff of dedicated teachers, coaches and partners who managed to pitch in while demands and challenges of remote learning swirled around them.

Strategic leadership by Liz Page Associates has been invaluable: Liz, Melanie, Joannie, Amanda, et al. Kudos to Liz's partner in video, Lauren Willis of Intercultural Productions. Individual high-honor mentions and great contributions from: Penny Welsch on social media, Stan Hurwitz for PR. Volunteer and ombudsman, Dan Eramian for his overall media expertise, support as strategic thinker....EHSA's MVP!

I thank all of you who supported our Virtual event and will support our live celebration in 2022. Know the 200th Virtual event is not the culmination but rather the beginning of fundraising goals and continued service to our alumni family. We appreciate your continued partnership to be a successful Association and be all we can be to all English High Alumni everywhere.

Onward!

About The English High School

www.englishhs.org

The mission of The English High School is to challenge each student academically while fostering an enduring commitment to honor and achievement with service to mankind. The English High School seeks to cultivate well-rounded students who are prepared for success in college and careers, and to be productive members of a culturally diverse society.

Head of School Caitlin Murphy has been deeply committed to the school first as a teacher and then an administrator for over 12 years and is grateful to be partnering with the dedicated EHS Association. Together they are counting on community support to commit the resources needed to advance academic, arts, science and sports opportunities for the often overlooked but very deserving student body.

About The English High School Association (EHSA)

www.englishhighalumni.org

Established in 1851, The English High School Association is a devoted group of graduates and supporters including faculty, family members and community leaders who are working hard to create advancement opportunities for EHS students today.

The mission of EHSA is to ensure every English High School student is afforded quality academic instruction, resources and support necessary to achieve their full potential. Every year the Association awards college scholarships for students and financial support to the school for tutoring, the arts, science and athletics.

Funds raised as part of The English High School 200th Anniversary Celebration will support this mission.

The English High School Association is designated a 501(c)3 tax-exempt organization under the IRS revenue code. Donations are tax-deductible to the full extent of the law.
